

## DDS Legislative Update – February 23, 2018

This legislative update is divided into seven sections:

- [Bills Proposed by DDS](#)
- [Senate Proposed, Raised and Committee Bills Being Followed by DDS](#)
- [House Proposed, Raised and Committee Bills Being Followed by DDS](#)
- [Public Health Committee Public Hearing on DDS Bills](#)
- [Appropriations Committee's Health Subcommittee Meeting with DDS](#)
- [DDS Public Hearing Testimony](#)
- [Governor's Midterm Budget Adjustments Fiscal Year 2019](#)

**Note:** This update is not a comprehensive list of bills before the Connecticut General Assembly. DDS is tracking and assessing the bills listed below for their potential impact on DDS consumers, families and guardians, DDS employees and DDS providers.

**This legislative update shows some of the bills that are being tracked by DDS this session. If a Public Hearing on a bill has been scheduled, the date of the public hearing and in most instances a link to the public hearing agenda will be after the bill's description.**

As the legislative session goes forward, bills will be referred from legislative committees to the House or Senate. The House or Senate then may refer the bills to other committees or chose to vote on them. In these updates, the last action taken on a bill will be in **bold**. For a bill to become law, both the House and the Senate must vote favorably on it by May 9, 2018 at midnight, and the Governor must sign the bill into law.

### Key to Legislative Terminology:

**Vote to Draft** means a Proposed Bill will be drafted as a Committee Bill.

**Reserved for Subject Matter Public Hearing** means a bill will have a Public Hearing but the date of the Public Hearing is still to be determined.

**Change of Reference** means that the original committee is moving the bill to another committee without a Joint Favorable action.

**JF** means the committee reported the bill favorably to the House or Senate.

**JF Change of Reference** means the committee reported the bill favorably to another committee.

**JFS** means the committee reported the bill favorably to the House or Senate but with substitute language.

**JFS Change of Reference** means the committee reported the bill favorably to another committee but with substitute language.

A File Number (**File No.**) is a unique number given to a bill once it has reached the House or Senate Floor. A file copy of a bill with the file number has a plain-language description of what the bill's provisions do, written by the Office of Legislative Research and a fiscal note, which explains what a bill would cost or save if implemented, written by the Office of Fiscal Analysis.

A House or Senate Calendar Number (**House Cal. No. or Senate Cal. No.**) is also a unique number that is given to a bill once it reaches the House or Senate Floor. This number is used to hold the bill's place on either the House or Senate Calendar. If the bill is a House bill (H.B. 5000 or higher) or a Senate bill

(S.B.1 to 4999) it first gets a Calendar Number from the chamber the bill originated in. Once a House bill is passed in the House, it goes on to the Senate where it receives a Senate Calendar Number. Likewise once a Senate bill (with a Senate Calendar Number) passes the Senate, it goes to the House and receives a House Calendar Number.
